Putting LS29 (and your business) on the map

Dear LS29 Businesses

LS29 is more than a postcode. It's a community of like-minded business owners who all work together to help one another flourish in today's competitive environment. Well, it is when you join The Ilkley Business Forum (IBF).

IBF is run entirely by volunteer LS29 business owners. We work together to cultivate a thriving business-to-business forum that allows you to grow your network, share business, develop core skills and benefit from peer group support. David Lowe, Founder member and still on the committee

David Lowe

says "We still have new businesses joining us every month and we are as strong as ever so come and join us".

As a member, you have access to a community of like-minded individuals who are eager to promote inter-trade and share experience and knowledge. You also have access to our member database and member-to-member discounts and offers, allowing you to save money while making new connections.

We hold monthly meetings on the second Wednesday of the Month at 5.30pm until 7pm that are free to attend and provide an opportunity for you to meet other business owners in the area. We also host seminars, workshops, and expert speakers at our meetings to help you develop your skills, such as sales and marketing. We also host networking lunch gatherings bi-monthly on the last Thursday of the month. Please sign up to our mailing list to receive full programme details.

Our monthly e-newsletter will inform you about what's happening in the area and provide you with an opportunity to circulate your own news and events.

Job by day, doing the books by night?

We can do **more** for you, giving you
more time for the things you love.
